REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art teach related tag systems but fail to teach the combination including the limitation of a tag memory having a plurality of tag records, each tag record for defining a variable length segment of the memory clusters for caching disk data for a range of logical block addresses, and each tag record for indicating the range of logical block addresses and providing scan results based on the comparing step, indicating overlap between the logical block address range associated with the host command and the ranges of logical block addresses indicated in the tag records (claims 1, 9, and 17).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
